Support Worker Vacancies—Bidford on Avon

Creative Support is a national not-for-profit organization which is looking to recruit warm and person centred individuals in your area to provide the highest standards to service users with support needs. With a strong history of over twenty years in helping individuals with a wide range of needs to live independent and fulfilling lives, we ensure that our clients enjoy opportunities for personal development and engaging within their local communities

We are looking for warm, positive and enthusiastic individuals to provide person centred support to people with learning disabilities, some of whom will have additional complex physical needs living in their own homes in Bidford-upon-Avon. You will work to make a difference and promote independence whilst enabling tenants to enjoy a fulfilling and valued life. You will encourage service users to participate in and contribute to their local community and to develop their abilities as fully as possible.

What we offer...

Creative Support also offers a wide range of training courses and this will be a perfect opportunity for those who are seeking to progress in the health and social care sector as we also offer the QCF Diploma in Health and Social Care level 2 – 5. As a senior practitioner and supervisor, we will support your continuous development by providing accredited courses such as person centred planning, communication approaches and many more. Although previous experience in a similar role is more advantageous, we would like to encourage the people with the right values and passion to apply and work to make a difference.
