Hello!!

My name is Susie Pick and I'm 21 years old.

As of April 28th, I will be travelling to Bohol in the Philippines to volunteer for 12 weeks with ICS (International Citizen Service). I shall be working with other Filipino volunteers and VSO Bahaginan, a Philippine-registered development organisation.

During my time in Bohol, I shall be working with the Forest Management Council and the Carood Watershed Model to improve the economic and social well-being of poor and marginalised Filipinos, as well as increasing the capacity and awareness of youth on environmental issues affecting Carood Watershed and helping to implement sustainable management projects.

- ***Bohol, among 80 provinces in the Philippines, is ranked the 10th poorest, with poverty incidence of 42%. Only 71% of the population attain elementary education. With the devastating effects of typhoon Haiyan last year in 2013, recovery is still slow.***
- ***The work of VSO is therefore vital in helping these people break free of poverty.***

My fundraising target is £800, all of which will go to VSO....allowing more of their amazing work to reach those who need it most.

AND SO.....on the 9th April I am doing a **SPONSORED TANDEM SKYDIVE** to help raise money and would be very grateful for any donations to support me in reaching my fundraising target of £800.

- ALL DONATIONS WILL GO DIRECTLY TO VSO -

Please do dig deep for this amazing cause, any donations, however small, will be greatly appreciated! TO DO THIS PLEASE VISIT MY JUSTGIVING PAGE AT:
