

The Parish of Salford Priors in 2031

The creation and adoption of a Neighbourhood Development Plan for Salford 7 (incorporating Salford Priors, Dunnington, Abbot's Salford, Pitchill, Rushford, Iron Cross and The Bevingtons) will help **shape the future of our parish.**

The plan will reflect **your views and wishes** for the local area, and it will ultimately be backed by **you** in a referendum.

The plan **sets out policies** covering development, industry and commerce, environment and transport, and education, leisure and community.

Our vision is that by 2031, the Parish of Salford Priors will be a **safe, thriving rural community** with a **strong voice**, which **conserves** its **natural environment** and **historic character**.

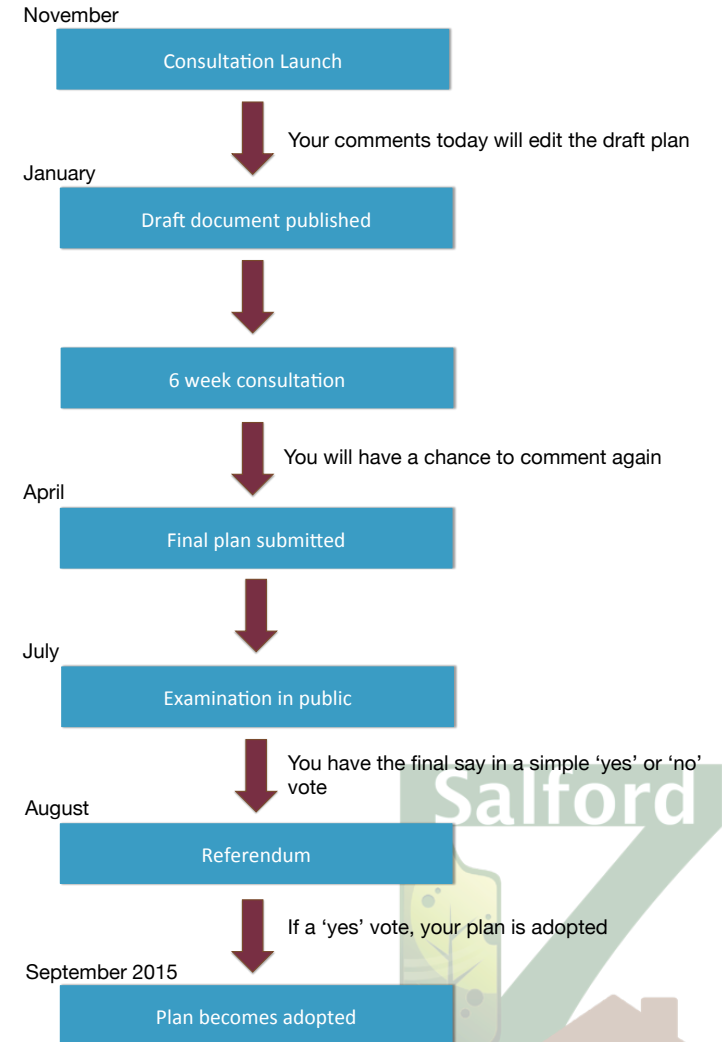

Growth in population and enterprise will be **diverse, sympathetic, well-designed** and **sustainable**.

Our objectives are to:

Contact our Chair Walter Thomson at salford7ndp@salfordpriors.gov.uk with any comments or for further information

Where Do We Go From Here?

Any future planning application in our parish will have to meet the policies in the plan.

Contact the Communication lead Alan Green at salford7ndp@salfordpriors.gov.uk with any comments or for further information
