Salford Priors Gardening Club Request

Salford Priors Primary School are looking for 2 volunteers to set up a gardening club who will work with a group of children on a regular basis with a Teaching Assistant. They are looking for someone to help improve the raised beds by growing vegetables. You will need to be able to plan all the details and go through a DBS check (the old CRB check). If you are interested please contact the school direct on 01789 772497.

Community Speed Check Training

I am delighted to be able to inform you that funds have been granted by County Councillor Mike Brain to purchase a speed gun. District Councillor Mark Cargill is now looking for volunteers to take part in the training for the community speed checks. The training sessions will last approximately 1 ½ hours in a classroom and then will involve a session outside with the gun until everyone is comfortable with it. Morning sessions begin at 10.30 am, the afternoon sessions start at 1 pm.

If you are interested in taking part in this training please contact me, letting me know which dates work best for you (below). Please try to indicate more than one date. I will then pass on your details to the District Councillor. If you have already been on a training session but would like a refresher please let me know and you can come along for all or just the outside session.
