Please note the message below from West Mercia Police :-

Please be aware door-to-door sales group known as the Nottingham Knockers have been reported in the Evesham & Pershore areas over the recent days, which means they will be visiting your areas too!

This group are persistent, using pressurised selling methods for cleaning products. If any sales person comes to your door selling any products, do not be persuaded to part with money or for products you don't need or of poor quality. Residents are also advised to use precautionary measures such as a door chain and to ignore callers if they are unsure who they may be.

To sell on the doorstep a valid pedlar's certificate is required (not just ID with a photograph of the person).

Please look out for any vulnerable neighbours that may be an easy target for such unwanted callers.

If you spot any such doorstep traders, DO NOT answer the door to them. If you do buy from them it will encourage the gang to return to your town or village.

Please report sightings to the non-emergency police line on 101.
