MINERALS PLAN CONSULTATION DOCUMENT

I have been receiving emails from residents regarding letters they have received from Warwickshire County Council following their correspondence regarding the Minerals Plan Consultation.

The advice is to either complete the form, or use the form as a basis for your comments. I have spoken with Tony Lyons, Principal Planning Officer who has confirmed they will accept the form with a copy of your original letter attached to it, stating whether you wish to attend the oral part of the examination (Question 8). Should you not have a copy of your original letter please put your name and address on the form confirming you have already forwarded a letter and they will put these together.

Section 1 of the form should be completed as follows :
