News from Salford Priors Parish Council

1. Extension to Marsh Farm Quarry

The County Council regulatory committee met on 25th. May and granted permission for an extension to Marsh Farm Quarry on the North side of Broom Lane. Although the Parish Council and many local residents made objections to the application, both in writing and in person by actually speaking at the meeting, the motion to accept the proposal was agreed with only one dissenting vote.

2. Meeting for residents of Iron Cross, Rushford, and Pitchill regarding sewerage.

A meeting has now been arranged for all residents of Iron Cross, Rushford, and Pitchill, with Severn Trent Water to discuss sewerage issues in these settlements. The meeting will take place in Salford Priors Memorial Hall on Thursday 24th. June from 7.00pm. Mr Paul Brettell, Strategy Manager for STW, will make a presentation at about 7.30pm and will be available to answer individual questions both before and after this.

3. CLA Gamefair at Ragley

The Country Landowners Association Gamefair will take place at Ragley on 23th. to 25th. July. This is expected to be a very well attended event and may cause disruption to local traffic. The Parish Council is in contact with Ragley, the Police, and the County Council, to try and ensure that adequate signage is in place to keep traffic to agreed routes.

4. Speed limits on Station Road and Evesham Road

Residents on Station Road and Evesham Road in Salford Priors will have noted the removal of the buildout near Cleeve View. We are all concerned that vehicles should not speed through the village and we look to the County Council to ensure that alternative arrangements are effective. The County will shortly be publishing a new Order in the press and residents are urged to respond directly to the County Council.
