If, so then download Potential Houses Site Form from the Neighbourhood Plan page on the Parish Website at salfordpriors.gov.uk or telephone the Parish Clerk on 01789 490501 and a copy will be sent to you.

Volunteers Needed for a New Salford Seven Publication

Volunteers are needed to produce a regular A5 size colour magazine to be delivered through every letterbox in the Parish, whether you are a budding editor, photographer or writer, we need you.

The magazine will have contact details and regular features from all the Parish organisations .

Along with recipes, stories, poems, hints and tips on various subjects, along with display adverts from local businesses.

Parish Council

Changes at the Top

At the Annual General meeting in May, Councillor Karen Littleford was elected as the Chairman and Councillor Liam Maude was elected as Vice Chairman.

In June a new clerk, Sean Arble was appointed, his contact phone number is 01789 490 501 or email clerk@salfordpriors.gov.uk

Wooden Planters

The planters around the village have always been cared for by locals, it has come to the Parish Council's attention that there are a number of planters which are not being cared for anymore. We are looking for volunteers to take over the care of the planters.

Allotments

Use Them or Lose Them

The uptake of the allotments has dropped and we now have a number of vacant plots. The allotments are leased from the County Council at a cost! If the uptake does not improve then the Parish Council will have no choice but to hand the land back. A plot costs £26.00 or 1/2 a plot is £13.00 per year. Anyone interested should contact the clerk.

Parish Office

Do we need the Parish Office?

Would an evening opening once a week or month be helpful?

Maybe a Saturday morning once a month would be more beneficial to the village?

A drop in advice centre for District and County Council matters?

What facilities would you like to see offered at the Parish Office?

Let us know what you think by either send an email to the clerk, speak to one of the councillors or why not come along to the next Parish Council meeting and tell us.

Playing Field

The amenity contractor has reported concerns over a large number of stones found around the perimeter of the playing field.

These stones damage the grass cutting equipment.

DOG FOULING

Please note that not picking up after your dog has fouled is a Criminal Offence. You can be fined up to £1000 and you will get a CRIMINAL RECORD.
