1st Parish Christmas Tree was a success!

The Christmas Tree Illumination Ceremony held on Saturday 29th November proved to be very successful, prompting many complimentary comments and generous donations to the Parish Defibrillator Fund. To build on this success and to promote this year's celebrations we are looking for parishioners to join **The Parish Christmas Tree Lights Working Group**. Any interested parties should contact the clerk in the first instance. The foundations for success have been laid, it would be great to build on them.

Parish War Memorial

On Wednesday 28th January, an open meeting was held where about 20 residents discussed ideas for a provision of a dedicated war memorial within the Parish. Cllr. Liam Maude will co-ordinate a small working group to investigate further. This group consists of Councillors, British Legion Members and residents. Anyone interested in joining the group should contact the Clerk.

Defibrillators

The purchase of two defibrillators goes ahead following donations from SPATS and Brain's WCC Grant. One will be installed outside the Memorial Hall in School Road and the second one will be installed outside the Baptist Hall in Dunnington. Once the installation is complete we will be holding a awareness training session in the Memorial Hall for anyone interested.

B439

Focus Group

On Wednesday 4th February, a meeting with about 30 local residents was held. The Clerk started by showing photographs he had taken showing the various speed signs, road markings and parking issues along the B439 starting at the A46 roundabout through Salford Priors and Abbott's Salford. The comments and ideas were very informative and the Council will investigate the idea of covert speed checks at 2 or 3 places along the B439.

Please Consider How & Where You Park

The Council has received numerous complaints about inconsiderate parking around the Parish.

THINK! Am I causing obstruction? Can I legally park here?

Allotments Plots available.
