

THE WAY WE

ALL REGISTER

TO VOTE IS CHANGING

You need to make sure that you're on the updated register, or you might not be able to vote in future.

WHY SHOULD I REGISTER?

The way you register to vote has changed in 2014. Everyone is responsible for registering themselves instead of the 'head of the household' registering everyone who lives at their address.

You need to register yourself otherwise you won't be able to vote.

HOW DO I REGISTER?

- 1 Go to www.gov.uk/register-to-vote
- 2 Fill in your details – you'll need your national insurance number.
- 3 Your local electoral registration staff will email you to confirm you're registered.

If you don't have internet access your local electoral registration staff will be able to help you.
