7) Please tick to indicate whether you agree or disagree with the following statements:

	Agree	Disagree
Current play areas are under used		
If play areas offered more challenging activities they would be used more		
There should be more 'natural' play opportunities eg building dens and interaction with the natural environment		
Youth shelters should be provided for teenagers		
There should be more adventurous play eg climbing walls		
There should be more informal opportunities for children to exercise eg mini running tracks		
There is not enough play provision for teenagers (12+)		
There is not enough play provision for young children (0-11)		
Young people usually travel to play areas further away as they are better		
There should be more sporting activities available with a Multi Use Games Area (basketball, tennis, netball, hockey etc)		
I would like to see the provision of adult gym equipment as part of the new play area development		
There should be more picnic benches or places for people to sit		

8) We would welcome help from anyone that can give some time, no matter how little. Is there any particular help or expertise you could contribute towards the project? (Please tick as many boxes as you like and provide your contact details)
