

Section 3 - External Auditor Report and Certificate 2023/24

In respect of **Salford Priors Parish Council**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2023/24

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

A review of the Council's website, the Finance section and using the search function, has identified that the Council does not appear to have fully met the requirement of the Accounts and Audit Regulations 2015, Regulation 13 (1) which states that the final audited Annual Governance and Accountability Return should, on conclusion of the audit, be available for public access, which includes publication on the Council's website. The Council amended Section 2 of their 2022/23 return year during the 2022/23 review process however only the original version of the return is visible on the Council's website, and without any of the approval signatures. In addition, the Notice of Conclusion included in the 2022/23 section of the website is the notice of conclusion of the 2022 review process. Therefore, it appears that the 2023 notice of conclusion has not been published as is required by regulation 16 of the Accounts and Audit Regulations 2015. The Council should bring these points into line with the regulations as soon as practically possible.

Boxes 1-6 of the 2023 column on Section 2 of the AGAR were required to be restated in order to present the Section 2 of the AGAR using the correct basis of preparation. However, as a result of these restatements, boxes 1-6 do not arithmetically add down to Box 7 by £2 when summed. When rounding the numbers for the Return care should be taken to ensure boxes 1-6 sum to box 7 in accordance with Paragraph 2.19 of JPAG Practitioners' Guide 2023 and that box 7 agrees or reconciles to box 8 as is required per Paragraph 2.23 of JPAG Practitioners' Guide 2023. We note that the current year figures do not appear to contain any rounding errors and therefore so not anticipate this affecting the next return.

Other matters not affecting our opinion which we draw to the attention of the authority:

The Council provided an explanation for the variance on Box 4 on Section 2 of AGAR from the prior year to the current year. Whilst the explanation was reasonable, no values were initially provided in order to support the movement. These were later provided on request. The Parish Council should in future ensure that all the necessary supporting financial information is provided with their annual submission.

The internal auditor has provided a 'Yes' response at control objectives L and N on their report. This suggests that the Council correctly published all relevant documents on its website. As the Council currently has not published the audited 2022-23 return following amendments made during the 2022-23 limited assurance review, the answer to these points should have been 'No'.

The Internal Auditor appears to undertake their entire review several months before the end of the AGAR reporting period and completing the Annual Internal Audit Report, based on that review, once the current year document is available. Whilst this does not invalidate the internal audit review work undertaken, it does leave a period of unreviewable time within the period being reported upon. This is a risk to the accuracy of the AIAR responses as the Internal Auditor signed the 2024 report in April 2024 where there were points raised on the Internal Auditor's full report of December 2023 setting out points required to be completed before the 31 March, which do not appear to have been confirmed completed at that time. Therefore, to support/inform the responses reported on the AIAR by the Internal Auditor, it would seem appropriate for any such outstanding points, recommendations made or similar items to be responded to/confirmed complete by the Council prior to the AIAR being signed, as non-compliance of points raised by 31 March could affect the Internal Auditor's responses.

3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
