Dear Donna

Please find attached Public Open Space Plan for the Walnut Grange development.

Can you please advise whether this land was ever offered up to the parish council, are you able to provide evidence of this and your response to the developers? If it was not offered up to the Salford Parish Council does the parish council wish to take to take on the management of this land?

I look forward to hearing from you.

PLEASE NOTE I WILL NO LONGER BE WORKING ON S106 AGREEMENT CASES AS OF 31/5/24. A NEW OFFICER WILL BE ALLOCATED AS SOON AS POSSBLE.

Kind regards
Rajinder
