

A view looking south towards the existing build-out..

These two images are from the same locale. Just showing the end detail where the HB2 kerb is to commence. Remove dropper from start point '0' and replace with new one at far end (left) at the 48.4m point. HB2 kerbs in between.

( Recent Google Earth image for this area not available )

**TASK 3 ;**

- Install HB2 kerbing along RH edge of carriageway from Orchard Farm radius kerbing to Cedar Close radius kerbing in the distance.
- Allow for topsoiling and grass seeding from back of HB2 kerb, towards established grass.
